SURVEY OF STAFF EMPLOYEE SEPARATIONS

Between 1 January 1953 and 30 June 1953

Average Length of Employment of Separates

25X9

The ██████ Staff Employees whose Agency employment was terminated during the first six months of 1953 worked for the Agency an average of 20 months.

General Schedule personnel were on duty an average of 21 months, GS-13 and above for 29 months, GS-7 through GS-12 for 25 months, and GS-6 and below were employed an average of 16 months.

CFC personnel remained with the Agency an average of 8 months and Wage Board type personnel an average of 16 months.

(For further details, see Tables 1 and 2)

Percentile comparison of length of employment of Separates

About 73% of all Staff Employees separating between 1 January and 30 June 1953 worked for the Agency two years or less, 40% were separated within one year after entrance on duty, more than 23% were employed less than seven months while slightly more than 5% were employees five years or more.

Around 83% of the separates in grades GS-6 and below were gone inside of two years, with 50% of them separated inside of one year. Less than 2% of this Group worked for the Agency five years or longer.

Separates in grades GS-7 through GS-12 stayed longer. About 59% of this group were separated in two years or less, with less than 25% being separated within the first year. Nine percent of this group remained with the Agency five years or longer.

Separates in grades GS-13 and above worked for the Agency longer than any other group. Although 52.5% left within the first two years, nearly 75% stayed more than one year, and better than 18% worked five years or longer.
